

Will County Prescription Discount Card

The county is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 22 percent off the retail price of commonly prescribed drugs. The cards may be used by all township residents, regardless of age, income or existing health coverage, and are accepted at many of the country's pharmacies. A national network of more than 59,000 participating retail pharmacies will also honor the NACo prescription discount card. Best of all, there is no cost to taxpayers to make these money-saving cards available to our residents. You can pick up a card here at the Frankfort Township or go to www.caremark.com/naco to print out a Will County Prescription Discount Card.
