

BOARD COMMENTS

David Smith, Frankfort Township Trustee, reported on the Stamp Out Hunger Food Drive. The event was hosted by the National Association of Letter Carriers, Mokena Boy Scouts and Girl Scouts, and the Raptors baseball team. He praised the efforts of township employees Mike Hilton and Jeannine Hetfleish and all the volunteers especially Pauline. The event lasted three days and was a great success.

Trustee Smith also commented on the Pet Spring Fling at the Animal Control Facility/Highway Department. This year people were asked not to bring their dogs and cats to the event due to the canine influenza. Township Animal Control Officer, Karen Zobject, did a great job putting together this event and it was enjoyed by all who attended.

Trustee Smith would like the township to host a battery recycling day and asked if it could be placed on our next meeting agenda.

Jim Moustis, Frankfort Township Supervisor, announced that there will be an open house on Saturday, May 30th from 11 am - 2 pm at our new Event Centre.

We have had positive responses from our recent spring newsletter which was published in-house. We will be sending out another newsletter in the fall.

The Township is looking into moving the Vietnam War Memorial. Supervisor Moustis has asked Trustee Smith to contact the Frankfort V.F.W. for their ideas and input.

Supervisor Moustis is looking into purchasing wrought iron fence for the Township Cemetery.
