BOARD COMMENTS

Highway Commissioner Bill Carlson informed the board that the new truck has arrived at the dealership and will be delivered next week. The highway department sold their 37 year old grader. They had trouble getting parts for it and it was only used 4 or 5 times in the last few years.

Supervisor Moustis stated that a pipe burst on the inside wall in one of the second floor apartments at Autum Valley. The resident was able to move in with a family member while repairs are being made. He hopes to have all in order by the end of the week. The Autum Valley Senior apartment complex was built in 1983.

Supervisor Moustis announced that there will be a date change for our February meeting. We will be meeting on the February 7th instead of the 14th.
